Club Mission Statement

To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens.

Staff

Our dedicated and experienced staff are the foundation of the Boys & Girls Club experience for our members.

Every staff member is CPR / first aid certified, engages in year-round professional development programs, and must pass a criminal background check.

History

The Boys & Girls Club of Bainbridge Island originally opened its doors to its first members in 1999, in the basement of a local church.

In 2001 the Club was officially sanctioned as a unit of the Boys & Girls Clubs of America. In 2002, the Club house adjacent to the Aquatics Center on Madison Avenue was opened to its members.

Over the last decade, our Club has served over 2,500 Bainbridge Island youth and teens.
